2.

## Login

The login page consists of where you will be able to enter in your username and password to access your individual pages. A manager will need to create you as a user to login. The manager will give you your password and your username will be your email address.

1. Type in your email address in the username textbox.
2. Type in your password in the password textbox.
3. Click Submit.
4. You should then have access to your homepage.
5. Should you wish to logout, then please click the logout button underneath the menu.

Reasons error messages may display:

- A username must be an email address format and no more than 100 characters.
- The password needs to be at least 5 characters and no more than 50 characters.
- Your username and password must match the username and password within the system. (if you believe you are using the correct details, then please speak to a manager about resetting your details.

## Payments

On the payments page you can view any outstanding payments linked with your account.

The column paid, is to keep track on whether you believe you have sent the money across to the club.

The confirmation column is whether the club has received your payment.

To keep a record of when you have paid, once a payment of a session has been sent:

1. Type into the textbox the pay Number
2. Click submit
3. You should see in the column paid, this will switch to yes

Reasons error messages may display:

- The pay Number must start with a "p"
- The pay Number is a maximum of 100 characters
- The paid column will only update to paid, if the correct pay number is inputted
